Introduction to ALEX SMIRNOV

Alex started to learn Bridge when he was six years old. He owns a "bridge college" in his home city of Lübeck in Germany (world capital of marzipan!) where has been teaching over 20 years, and often runs bridge getaways for his students all around Europe.

He is also the reason why Andy is teaching today, as he taught all of the secrets to Andy on how to become one of the best bridge teachers in Australia!

Alex, together with Andy, have held successful bridge holidays around Australia, such as Noosa, Margaret River, Hervey Bay, Hunter Valley. For more info, visit www.andyhungbridge.com
